

# Directions to the Hasso Plattner Institute

Address: Hasso Plattner Institute, Prof.-Dr.-Helmert-Strasse 2-3, 14482 Potsdam, Germany

The Hasso Plattner Institute in Potsdam-Babelsberg is located right next to the Griebnitzsee S-Bahn station, which offers excellent transport connections. The S-Bahn line 7 takes you to the capital Berlin and downtown Potsdam in a short time. Buses 616, 694, and 696 of the Potsdam city transport system also go to the Griebnitzsee stop.

The campus at Griebnitzsee is a green oasis and impresses with its beautiful grounds. You find the primary and lecture hall buildings at Prof.-Dr.-Helmert-Str. 2-3, nine of the 21 departments and the administration. HPI Campus II at August-Bebel-Str. 88 (Houses D, E, F, and V) houses another five departments and parts of the HPI School of Design Thinking. The three departments of the Digital Health Center and the remaining four departments are on Campus III at Rudolf-Breitscheid-Straße 187 (House G).

## Orientation at Griebnitzsee station

- To the main building: Leave the underpass in the direction of the university, turn left at the bus loop, continue straight ahead at the end of the bus loop (barrier); the main building is at the end of the path.
- To the lecture hall building: Leave the underpass in the direction of the university, turn left at the bus loop, continue straight ahead at the end of the bus loop (barrier); the lecture hall building is on the left, opposite the pond.
- To HPI Campus II: Leave the underpass in the direction of the university, turn right at the bus loop. Follow Prof.-Dr.-Helmert-Straße to the end, turn left into August-Bebel-Straße. HPI Campus II is located at the corner of August-Bebel-Straße/Stahnsdorfer Straße.
- To HPI Campus III: Leave the underpass in the direction of Rudolf-Breitscheid-Straße/Griebnitzsee and then keep left. The HPI Campus III is located at Rudolf-Breitscheid-Straße 187.

For orientation on the campus, please also use the overview map "Campus Griebnitzsee" (see below).

## Arrival from the airport
